Message from MD's Desk

Ladies and gentlemen, esteemed shareholders, and colleagues

I am pleased to share that your company has recorded highest ever sale and net profit in financial year 2023-24. During the year company earned a revenue of Rs. 301 Crores and net profit of Rs. 52.09 Crores. The net worth of the company rose from 172.46 Crores to 224.69 Crores which has shown the growth of 30.29 % over the last year. Our Revenue has shown growth of 21.77 % and PAT 8.27 % over the last financial year.

As we are all aware, the real estate industry plays a pivotal role in shaping the economic landscape of our country. It's not just about bricks and mortar; it's about building dreams, homes, and communities. Over the years, our sector has faced its fair share of challenges, from policy changes to economic fluctuations. However, it has also demonstrated remarkable resilience and adaptability. And today, as we stand on the cusp of a new era, I am confident that our industry is poised for a bright future. Govt. of India is also focusing on housing sector especially affordable and mid segment, in the recent budget lot of incentives announced to this sector so housing sector is likely to perform even much better in the year to come.

As our company has always believed in embracing change, fostering innovation, and maintaining unwavering commitment to our core values. This approach has been instrumental in our journey thus far, and it will continue to be our guiding principle in the years ahead. We have made significant progress on our ongoing projects, delivering quality homes and commercial spaces to our valued customers. Our commitment to excellence remains unwavering, and we are proud of the trust our customers place in us. In today's world, sustainability is not just an option; it's a necessity. We have continued to integrate sustainable practices into our projects, striving to reduce our carbon footprint and create eco-friendly communities, all the new and upcoming projects are green buildings compliant with and we are working on LEED certification for some of our buildings.

The real estate industry is evolving rapidly, and we are keeping pace. We have embraced cutting-edge technology to enhance customer experiences, streamline operations, and improve project management. We have already invested very heavily to shift to MIVAN construction and most of our buildings are being built with this technology having all concrete structure resulting to have much better life of our buildings. We are grateful for the trust and loyalty our customers have shown us.

Looking ahead, we are filled with excitement and optimism for what the future holds. Our strategic vision includes Expansion, Innovation, Customer-Centricity and Diversification. We are expanding to the other city of Punjab very aggressively.

In conclusion, I want to express my gratitude to our shareholders for your unwavering support, to our dedicated employees for their hard work and dedication, and to our customers for trusting us with their dreams, business associates, Bankers and all other stakeholders for the confidence they have reposed in our company. Together, we will continue to build a brighter future for the company, the Indian real estate industry, and the nation as a whole.

With Best Regards

Sd-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Our Company is a reputed Punjab based company having its presence in the construction industry for more than one decade. Company has delivered a number of high-rise building Projects in Punjab which includes Residential Housing Projects and Commercial Building Projects. Our residential portfolio currently covers projects catering to customers across all income groups. We believe that we have established a successful track record in the real estate industry in Punjab by developing versatile projects through our focus on innovative architecture, strong project execution and quality construction.

Global Economy

World economy is expected to continue growing at 3.2% during 2024 and 2025, at the same pace as in 2023. Aslight acceleration for advanced economies—where growth is expected to rise from 1.6% in 2023 to 1.7% in 2024 and 1.8% in 2025—will be offset by a modest slowdown in emerging market and developing economies from 4.3% in 2023 to 4.2% in both 2024 and 2025.

Inflation is forecast to decline steadily, from 6.8% in 2023 to 5.9% in 2024 and 4.5% in 2025, with advanced economies returning to their inflation targets sooner than emerging markets and developing economies. Core inflation is generally projected to decline more gradually. The global economy has been surprisingly resilient, despite significant central bank interest rate hikes to restore price stability.

Indian economy

India's economic performance has remained robust despite global challenges and geopolitical concerns. This can be attributed to strong domestic demand, rural demand pickup, robust investment and sustained manufacturing momentum. Despite the global challenges, India stands out with its strong economic performance, highlighting broad based growth across sectors and asserting its pivotal role in supporting the global growth trajectory.

The government and the RBI's efforts to combat inflation, including calibrated policy rates, strengthening food buffers and easing imports, have ensured effective inflation management. Consequently, retail inflation in FY 2023-24 witnessed a significant decline, reaching its lowest level since the Covid-19 pandemic, with core inflation dropping to 3.3% in March 2024. Further, a predicted above-normal monsoon in 2024 bodes well for a good harvest, easing inflation concerns.

Slowing global trade, presents a challenging landscape for economies worldwide. Despite these headwinds, India's trade deficit is expected to decline in the coming years as the PLI scheme deepens its coverage and extends to other sectors. Driven by strong exports and resilient remittances, various international agencies and RBI expect the CAD to GDP ratio to have moderated below 1% in FY 2023-24.

Overall, India continues to be the fastest-growing major economy with positive assessments of the growth outlook for the current financial year, for India by international organisations and RBI.

Industry Overview in India

The Indian real estate sector is a key player in the nation's economic development. With promising projections in market size, GDP contribution and employment generation, the sector stands as a beacon of growth and opportunity. Nurturing this growth requires a balanced approach, addressing challenges while embracing innovation, ultimately shaping a real estate landscape that is not just expansive but also sustainable.

OPPORTUNITIES AND CHALLENGES
Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary

architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels. Your company has also broken the geographical barrier by start of the project in Ludhiana City. Proposal to start projects in Mohali and New Chandigarh is also on the cards.

Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges:

- Unanticipated delays in project approvals;
- Availability of accomplished and trained labour force;
- Increased cost of manpower;
- Rising cost of construction;
- Growth in auxiliary infrastructure facilities; and
- Over regulated environment.

COMPANY STRENGTHS

Your Company continues to capitalize on the market opportunities by leveraging its key strengths. These include:

1. Brand Reputation: Enjoys higher recall and influences the buying decision of the customer. Strong customer connects further results in higher premium realizations.
2. Execution: Possesses a successful track record of quality execution of projects with contemporary architecture.
3. Strong cash flows: Has built a business model that ensures continuous cash flows from their investment and development properties ensuring a steady cash flow even during the adverse business cycles.
4. Significant leveraging opportunity: Follows conservative debt practice coupled with enough cash balance which provides a significant leveraging opportunity for further expansions.
5. Outsourcing: Operates an outsourcing model of appointing renowned architects/contractors that allows scalability and emphasizes contemporary design and quality construction – a key factor of success.
6. Transparency: Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
7. Highly qualified execution team: Employs experienced, capable and highly qualified design and project management teams who oversee and execute all aspects of project development.

RISKS AND CONCERNS

Market price fluctuation

The performance of your Company may be affected by the sales and rental realizations of its projects. These prices are driven by prevailing market conditions, the nature and location of the projects, and other factors such as brand and reputation and the design of the projects. Your Company follows a prudent business model and tries to ensure steady cash flow even during adverse pricing scenario.

Sales volume

The volume of bookings depends on the ability to design projects that will meet customer preferences, getting various approvals in time, general market factors, project launch and customer trust in entering into sale agreements well in advance of handing over the possession of the projects. Your Company sells its projects in phases from the time it launches the project, based on the type and scale of the project and depending on market conditions

Execution

Execution depends on several factors which include labour availability, raw material prices, receipt of approvals and regulatory clearances, access to utilities such as electricity and water, weather conditions and the absence of contingencies such as litigation. Your Company manages the adversities with cautious approach, meticulous planning and by engaging established and reputed contractors. As your Company imports various materials, at times

execution is also dependent upon timely shipment and clearance of the material.

Rental realizations

The rental realizations on the space leased depends upon the project location, design, tenant mix (this is relevant in the case of shopping malls), prevailing economic conditions and competition. Your Company has set up its retail property in prime location and maintains a fresh ambience resulting in crowd pull and attracting first time kind of retailers. As far as the office space rentals are concerned, the same depends on demand and supply, general economic conditions, business confidence and competition.

Land/Development rights – costs and availability

The cost of land forms a substantial part of the project cost. It includes amounts paid for freehold rights, leasehold rights, eligible FSI, construction cost of area given to landlords in consideration for development rights, registration and stamp duty. Your Company may acquire land/land development rights from the government and private parties. It ensures that the consideration paid for the land is as per the prevailing market conditions, reasonable and market timed. Your Company also enters into MOUs and makes advances for the land/land development rights prior to entering into definitive agreements. The ensuing negotiations may result in either a transaction for the acquisition of the land/land development rights or the Company.

Financing costs

The acquisition of land and development rights needs substantial capital outflow. Inadequate funding resources and high interest costs may impact regular business and operations. Your Company has always tried to build sufficient reserves resulting out of operating cash flows to take advantage of any land acquisition or development opportunity.

Strengthen relationships with key service providers and develop multiple vendors

In order to continue delivering landmark offerings to our customer, we shall further strengthen our relationship with our key service providers, i.e. architects, designer and contractors. Your Company is also working on strategy to develop more and more vendors who can deliver product and services in line with Company's philosophy and product offerings.

Outlook

In 2024, we anticipate an opportunity for the Indian economy to become a world leader. The real estate sector is likely to continue on its journey of long term growth as we see a continuous rise in GDP per capita, larger disposable incomes, growing urbanization and most of all a larger focus of the world on us as the next big economy

An increase in earning potential, a need for a better standard of living and the growing base of aspirational consumers and their lifestyle changes have led to substantial growth in the sector. With suited economic growth, the premium housing segment will also witness higher demand in the years to come.

Human Resources

Your Company considers its human resource a vital asset. The Company prioritizes the professional as well as personal development of each employee, encouraging them to remain motivated and achieve organizational objectives. Company aims to create a conducive working environment, upholding the values of diversity, openness and transparent communications across organizational hierarchies.

The company strongly believes that its Human Resources are one of its most valuable resource and it is the quality and dynamism of its human resources that enables it to make a significant contribution to enhance stakeholders value. Company places employee engagement, development and retention of talent as one of its key priority, to enable achievement of organizational goals. The Company continuously provides Technical, Behaviour and Leadership trainings to employees, so that they become competent enough to advance in their careers. The company maintains a good work culture, ethics, values and attractive remuneration to keep its staff highly

motivated. The Company creates employee engagement program at regular intervals that makes learning activities fun by indulging in various programmes like festive celebrations, health care activities, cultural nights with family events, etc. to create an overall healthy work environment.

Your Company believes that human resource is its most valuable resource and it is the quality and dynamism of human resources that enables it to make a significant contribution to enhance stakeholders' value.

Internal Control Systems

The Company has also focused on upgrading the IT infrastructure – both in terms of hardware and software. In addition to the existing ERP platform, the Company is presently reviewing the process documentation to ensure effectiveness of the controls in all the critical functional areas of the Company.

CORPORATE GOVERNANCE REPORT FOR THE YEAR 2023-24

We are an integrated construction and real estate development company, focused primarily on construction and development of commercial / residential projects, in and around Punjab. Our Company was incorporated in the year 2005 as G. I. Builders Private Limited, jointly promoted by Mr. Sukhdev Singh Khinda and Mrs. Salwinderjit Kaur, with the vision of providing “premium housing at fair prices”. The name of our Company was changed to AGI Infra Limited in the year 2011.

COMPANY PHILOSOPHY

Corporate Governance is an ethically driven process that is committed to values aimed at enhancing an organization’s wealth generating capacity. This is ensured by taking ethical business decisions and conducting business with the firm commitment to values, while meeting shareholders’ expectations. Our corporate governance framework ensures effective engagement with our stakeholders and helps us evolve with changing times.

Our Corporate Governance police focus on the following points.

- Corporate Governance standard should go beyond the law and satisfy the spirit of law, not just the letter of the law.
- Ensures transparencies and maintaining high level of disclosure.
- Communicate externally and truthfully, about how the Company is run internally.
- The Management is the trustee of the Shareholders; capital and not the owner.
- Board and committees ensures transparency, fair play and independence in its decision making.

INDEPENDENT AUDITORS' REPORT

To the Members of AGI INFRA LIMITED

Report on the Consolidated IndAS Financial Statements

OPINION

We have audited the accompanying Consolidated financial statements of AGI INFRA LIMITED ('the Company') which comprise the balance sheet as at March 31, 2024, the statement of profit and loss (including other Comprehensive Income) , statement of cash flow and the statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Ind AS financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information requires by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies(Indian Accounting Standards) Rules, 2015 as amended,(“Ind AS”) and the other accounting principles generally accepted in India.

- In case of consolidated Balance Sheet of the Consolidated state of affairs of the Company as at March 31, 2024.
- In case of consolidated statement of Profit and Loss (Including other comprehensive income) for the year ended on that date.
- In case of consolidated statement of Changes in Equity, of the changes in equity for the year ended on that date.
- In case of consolidated Cash Flow Statement, of the Consolidated Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind As financial statements in accordance with the Standards of Auditing (SAs) as specified U/s 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matter to be communicated in our report.

Key Audit Matters Description	Auditor’s Reponses to Key Audit Matter
A. Revenue Recognition: - The company’s revenue is principally derived from the sale of flats, plots and the revenue is recognized when the control of the goods has passed to the buyers. We identified revenue recognition as a key performance indicator.	We have planned & performed the following procedures: - i) Evaluated the process followed by the management for revenue recognition including understanding and testing of key controls related to recognition of revenue in correct period.

	ii) Revenue on Sale of Flats are recognised when the Control of the goods are passed to the buyers while the other incomes are recognised as and when due.
B. Inventory & its Valuation: - There are complexities and manual process involved in determining inventory quantities in hand and valuation of the same due to the Company's presence across different locations within the state, diverse & numerous inventory products and work in progress at different stages of the processes at various constructing units. Accordingly, inventory quantities and valuation is identified as a key audit matter.	i) Assessed whether the management's internal controls relating to inventory's valuation are appropriately designed and implemented. ii) Discuss with the management on the management's process in identifying the stages of completion and valuing work in progress stock at the time of book closure process. iii) Verification of the correctness of valuation made by the management on a sample basis, with regard to the cost and net realisable value of inventory. We have been able to conclude that revenue has been recognised in accordance with the revenue recognition policy and accounting standards.
C. Receivables and Its Ageing Receivables has been considered a key audit matter due to element of judgement involved in overall management assessment of the customers' ability to repay the outstanding balances with in due time.	We have assessed the trade receivables and ageing of trade receivables and found that the company its receivables at a reasonable level with timely receipt of the sale proceeds as per trade practice in the related industry. Further, we have found that receivables are fairly recoverable and appropriate provision has been made where found necessary. There were no significant exceptions noted in the systems/procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion & Analysis, Board's Report included annexures to the Board report, Business Responsibility Report and Report on Corporate Governance and shareholders' information but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated IndAS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income) , cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to

fraud or error which has been used for the purpose of preparation of the Consolidated financial statements by the Board of Directors as aforesaid.

In preparing the Consolidated financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has the adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty, exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the over all presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during the audit report.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charges with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Company (Auditor's report) order, 2020 ("the order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies act, 2013 we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said order.

2. As required by Section 143 (3) of the Act, we report, that:

i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ii) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

iii) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

iv) In our opinion, the aforesaid Consolidated financial statements comply with the Ind As specified under section 133 of the Act, read with relevant rules issued thereunder.

(v) On the basis of the written representations received from the directors on March 31, 2024, taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

(vi) With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(vii) In our opinion, the Managerial remuneration for the year ended March 31, 2024 has been paid/provided by the company to its directors in accordance with the provisions of section 197 read with schedule V to the Act, and

(viii) With respect to the other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- a) The Company has disclosed the impact of pending litigations on its financial position in its Consolidated financial statements.
- b) The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There has been no delay in transferring amounts if required to be transferred, to the Investor Education and Protection Fund by the Company.

d) (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of Ultimate Beneficiaries

ii) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of Ultimate Beneficiaries.

iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

e) The Interim dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.

With respect to the matters specified in Companies (Auditor's Report) Order, 2020 (CARO/'the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, according to the information and explanation given to us and based on the CARO reports issued by us and the auditors of respective companies included in the Consolidated financial statements to which reporting under CARO is applicable, as provided to us by the management of the parents, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements.

Annexure “A” to the Independent Auditors’ Report

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AGI Infra Limited (“the Company”) as on 31st March, 2024 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies, the safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and the completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by Institute of Chartered Accountants of India and Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of the material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion to the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide the reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directions of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the criteria internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

1. GENERAL INFORMATION

The Consolidated Financial Statements comprise financial statements of “AGI Infra Limited” (the Holding Company) [CIN: L45200PB2005PLC028466] and its subsidiary collectively referred to as “the Group”, for the year ended March 31, 2024. The Holding Company’s equity shares are listed at the Bombay Stock Exchange (BSE). The registered office of the Holding Company is situated at S.C.O 1-5, Urbana, Jalandhar Heights-II, Jalandhar, Punjab-144022.

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

A. BASIS OF PREPARATION AND PRESENTATION

These financial statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as “Ind AS”) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with the Companies Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements have been prepared on a historical cost basis except for certain financial instruments which are measured at fair value at the end of each reporting period.

a. FUNCTIONAL AND PRESENTATION CURRENCY

These financial statements are presented in Indian Rupees (INR), which is also the Company’s functional currency. The financial statements have been prepared on the historical cost basis.

b. USE OF ESTIMATES AND JUDGEMENTS:

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

c. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

d. PROPERTY, PLANT AND EQUIPMENT:

Property, Plant and Equipment are stated at cost of acquisition including attributable to interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalized only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognized in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

e. DEPRECIATION/AMORTISATION

Depreciation/ amortisation is provided:

a) In respect of fixed assets, on the written down value basis considering the useful lives prescribed in Schedule II to the Companies Act, 2013.

Assets class	Useful life
Buildings	60 years
Furniture and fixtures	5-10 years

Office equipments	5 years
Vehicles	8 years
Electrical installations	10 years
Computers	3 Years

f. Impairment of Non-Financial Assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date, there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

3. INVENTORIES

Related to contractual and real estate activity

Direct expenditure relating to construction activity is inventoried. Other expenditure (including borrowing costs) during construction period is inventoried to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the statement of profit and loss. Direct and other expenditure is determined based on specific identification to the construction and real estate activity. Cost incurred/ items purchased specifically for projects are taken as consumed as and when incurred/ received.

Work-in-progress - Contractual: Cost of work yet to be certified/ billed, as it pertains to contract costs that relate to future activity on the contract, are recognised as contract work-in-progress provided it is probable that they will be recovered. Contractual work-in-progress is valued at lower of cost and net realisable value.

Work-in-progress - Real estate projects (including land inventory): Represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Real estate work-in-progress is valued at lower of cost and net realisable value.

Finished goods - Flats: Valued at lower of cost and net realisable value.

Land inventory: Valued at lower of cost or net realisable value.

4. CASH AND CASH EQUIVALENTS:

Cash and cash equivalent in the balance sheet comprise cash at bank and on hand and short term deposits with original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the Statement of Cash flows, Cash and cash equivalents comprises cash at bank and in hand, demand deposits that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

5. TAXATION:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax:

The tax currently payable is based on the taxable profit for the year. The Company's current tax is calculated using tax

rates that have been enacted or subsequently enacted by the end of the reporting period.

Deferred Tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statement and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax asset is generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary difference can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of Income Tax Act, 1961. MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss.

6.REVENUE RECOGNITION:

a. Accounting of Construction Contracts

Revenue is recognized upon transfer of control of residential units to customers, in an amount that reflects the consideration the Company expects to receive in exchange for those residential units. The Company shall determine the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. In case of residential units, the Company satisfies the performance obligation and recognises revenue at a point in time i.e., upon handover of the residential units.

In case of item rate contracts on the basis of physical measurement of work actually completed, at the Balance Sheet date.

In case of Lump sum contracts, revenue is recognised on the completion of milestones as specified in the contract or as identified by the management. Foreseeable losses are accounted for as and when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration.

b.Accounting of Other Ancillary Services:

Revenue from rendering of other ancillary services have been recognized as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

c.Finance and Other Income:

Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable EIR. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

d.Foreign currency transactions:

Sometimes the payments are received from the NRI customers in foreign exchange and the amount received after conversion is credited to their accounts. Question of exchange difference does not arise in case of foreign exchange outgo, actual payments made through banks are debited to the parties.

7.Employee benefits:

Provision for gratuity has been created in the books of accounts as per the actuarial valuation.

Provisions (other than for employee benefits) and Contingencies:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount

of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a financial cost.

8. Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

9. Earnings per share:

Basic earnings per share are calculated by dividing the profit/ (loss) from continuing operations and the total profit/ (loss) attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit/(loss) from continuing operations and the total profit/(loss) attributable to equity shareholders by the weighted average number of shares outstanding during the period after adjusting the effects of all dilutive potential equity shares.

3. Face value of shares - `	10/-	10/-
4. Basic / Diluted EPS - `	42.64	39.38

10. Provisions:

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

11. Contingent liabilities:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

13. RISK MANAGEMENT FRAMEWORK:

The Company's principal financial liabilities includes borrowings, trade and other payables. The Company's principal financial assets includes loans, trade receivables, cash and cash equivalents and others. The Company also holds investments made in the property, and advances made to sellers of land against agreements. The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

FINANCIAL RISK MANAGEMENT:
The Company has exposure to the following risks arising from financial instruments:

- i) Credit Risk
- ii) Liquidity Risk
- iii) Market Risk
- iv) Currency Risk
- v) Interest rate Risk

i) Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investment in inter- corporate deposits and loans given to related parties.

The carrying amount of following financial assets represents the maximum credit exposure:

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However,

credit risk with regards to trade receivable is negligible in case of its residential, commercial sale and lease rental as the same is due to the fact that in case of its residential and commercial business, it does not hand over possession till entire outstanding is received. Similarly, in case of lease rental business, the Company keeps 3 to 6 months rental amount as deposit from the occupants.

No impairment is observed on the carrying value of trade receivables.

Other financial assets

Credit risk from balances with banks, loans and investments is managed by Company's finance department. Investments of surplus funds are made only with approved counterparties. No impairment on such investment has been recognised as on the reporting date.

ii) Liquidity Risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans etc.

Exposure to liquidity risk

The following are there maintaining contractual maturities of financial liabilities at the reporting date.

iii) Market Risk:

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimizing the return.

iv) Currency risk:

Currency risk is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

v) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the Company's interest rate position. The exposure of the Company's borrowing to the interest rate risk at the end of the reporting period is as follows:

INDEPENDENT AUDITORS' REPORT

To the Members of AGI INFRA LIMITED

Report on the Standalone Ind AS Financial Statements

OPINION

We have audited the accompanying standalone financial statements of AGI INFRA LIMITED ('the Company') which comprise the balance sheet as at March 31, 2024, the statement of profit and loss (including other Comprehensive Income), statement of cash flow and the statement of Change in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as Standalone financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information requires by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies(Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

- In case of Standalone Balance Sheet and the state of affairs of the Company as at March 31, 2024.
- In case of statement of Profit and Loss (Including other comprehensive income) for the year ended on that date.
- In case of statement of Changes in Equity, of the changes in equity for the year ended on that date.
- In case of Cash Flow Statement, of the standalone Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards of Auditing (SAs) specified U/s 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matter to be communicated in our report.

Key Audit Matters Description	Auditor's Reponse to Key Audit Matter
A. Revenue Recognition:- The company's revenue is principally derived from the sale of flats, plots and the revenue is recognized when the control of the goods has passed to the buyers. We identified revenue recognition as a key performance indicator.	We have planned & performed the following procedures:- i) Evaluated the process followed by the management for revenue recognition including understanding and testing of key controls related to recognition of revenue in correct period.

	ii) Revenue on Sale of Flats are recognised when the Control of the goods are passed to the buyers while the other incomes are recognised as and when due.
<p>B. Inventory record and existence: - There are complexities and manual process involved in determining inventory quantities in hand and valuation of the same due to the Company's presence across different locations within the country, diverse & numerous inventory products and work in progress at different stages of the processes at various manufacturing units. Accordingly, inventory quantities and valuation is identified as a key audit matter.</p>	<p>i) Assessed whether the management's internal controls relating to inventory's valuation are appropriately designed and implemented. ii) Disuses with the management on the management's process in identifying the stages of completion and valuing work in progress stock at the time of book closure process. iii) Verification of the correctness of valuation made by the management on a sample basis, with regard to the cost and net reliable value of inventory. We have been able to conclude that revenue has been recognised in accordance with the revenue recognition policy and accounting standards.</p>
<p>C. Receivables and Its Ageing Receivables has been considered a key audit matter due to element of judgement involved in overall management assessment of the customers' ability to repay the outstanding balances with in due time.</p>	<p>We have assessed the trade receivables and ageing of trade receivables and found that the company its receivables at a reasonable level with timely receipt of the sale proceeds as per trade practice in the related industry. Further , we have found that receivables are fairly recoverable and appropriate provision has been made where found necessary.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion & Analysis, Board's Report included annexures to the Board report, Business Responsibility Report and Report on Corporate Governance and shareholders' information but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which

has been used for the purpose of preparation of the standalone financial statements by the Board of Directors as aforesaid.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has the adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during the audit report.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charges with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulations precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1.As required by the Company (Auditor's report) order, 2020 ("the order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies act, 2013 we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the said order.

2.As required by Section 143 (3) of the Act, we report, that:

- i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- ii. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- iii. The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- iv. In our opinion, the aforesaid standalone financial statements comply with the Ind As specified under section 133 of the Act, read with relevant rules issued thereunder.
- v. On the basis of the written representations received from the directors on March 31, 2024, taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- vi. With respect to the adequacy of internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- vii. In our opinion, the Managerial remuneration for the year ended March 31, 2024 has been paid/provided by the company to its directors in accordance with the provisions of section 197 read with schedule V to the Act, and
- viii. With respect to the other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There has been no delay in transferring amounts if required to be transferred, to the Investor

Education and Protection Fund by the Company.

- d. (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of Ultimate Beneficiaries.
- (ii) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of Ultimate Beneficiaries.
- iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.
- e. The Interim dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.

With respect to the matters specified in Companies (Auditor's Report) Order, 2020 (CARO/'the Order'), issued by the Central Government of India in terms of Section 143 (11) of the Companies Act, 2013, according to the information and explanation given to us and based on the CARO reports issued by us and the auditors of respective companies included in the Standalone financial statements to which reporting under CARO is applicable, as provided to us by the management of the parents, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Standalone Financial Statements.

Annexure "A" to the Independent Auditor's Report

The annexure referred to in our Independent Auditors' Report to the members of the AGI INFRA LIMITED on the standalone financial statements for the year ended 31st March, 2024, we report that:

- a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, Capital work-in- progress and other relevant details.
(B) The Company has maintained proper records showing full particulars of intangible assets.

b) Property, Plant and equipment were physically verified by management during the year. According to the information and explanations given to us, no material discrepancies were noticed during the year on such verification.

c) Based on the examination of the registered sale deed/transfer deed provided to us, we report that deeds of all the immovable properties disclosed in the financial statements included in property, plant and equipment and capital work in progress are held in the name of the Company as at the balance sheet date. Immovable properties of land whose title deeds have been pledged as security for loans, guarantees etc., are held in the name of the Company except two properties situated respectively at 184 New Jawahar Nagar, Jalandhar (Portion of project "AGI PRIDE") based on the charge created with Ministry of Corporate affairs in favour of State Bank of India, SME Branch, Jalandhar. Property situated at 184, New Jawahar Nagar purchased from related party in respect of which full and final agreement has been placed in the name of the company. Similarly a property situated at G.T. Road adjoining Kosmo Tata in the village Barring measuring 121.5 Marlas purchased from related party AGI Hospitalities Private Limited in respect of which full and final agreement has been placed in the name of the company.

d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.

e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. The inventories (except for goods in transit which have been received subsequently to the year-end) were physically verified during the year by the Management at reasonable intervals. In our opinion and based on the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operation. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories procedures performed as applicable, when compared with the books of account.

Annexure "B" to the Independent Auditors' Report

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AGI Infra Limited ("the Company") as on 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and the completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by Institute of Chartered Accountants of India and Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion to the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide the reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directions of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the criteria internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2024

1. GENERAL INFORMATION

AGI INFRA LIMITED (“the Company”) is a public limited company incorporated and domiciled in India. The company is having CIN L45200PB2005PLC028466, is principally engaged in the business of Real Estate and Construction Services. Its shares are listed on BSE Limited, the registered office of the company is located at S.C.O 1-5, Urbana, Jalandhar Heights-II, Jalandhar, Punjab-144022.

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

A. BASIS OF PREPARATION AND PRESENTATION

These financial statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as “Ind AS”) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with the Companies Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements. The financial statements have been prepared on a historical cost basis except for certain financial instruments which are measured at fair value at the end of each reporting period.

a. FUNCTIONAL AND PRESENTATION CURRENCY

These financial statements are presented in Indian Rupees (INR), which is also the Company’s functional currency. The financial statements have been prepared on the historical cost basis.

b. USE OF ESTIMATES AND JUDGEMENTS:

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

c. OPERATING CYCLE FOR CURRENT AND NON-CURRENT CLASSIFICATION

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

d. PROPERTY, PLANT AND EQUIPMENT:

Property, Plant and Equipment are stated at cost of acquisition including attributable to interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalized only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognized in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

e. DEPRECIATION/AMORTISATION

Depreciation/ amortisation is provided:

a) In respect of fixed assets, on the written down value basis considering the useful lives prescribed in Schedule II to the Companies Act, 2013.

Assets class	Useful life
Buildings	60 years
Furniture and fixtures	5-10 years
Office equipments	5 years
Vehicles	8 years

Electrical installations	10 years
Computers	3 years

f. Impairment of Non-Financial Assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or cash generating unit's (CGU) fair value less costs of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. If such recoverable amount of the asset or cash generating unit is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. If at the Balance Sheet date, there is any indication that any impairment loss recognized for an asset in prior years may no longer exist or may have decreased, the recoverable amount is reassessed and such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

3. INVENTORIES

Related to contractual and real estate activity

Direct expenditure relating to construction activity is inventoried. Other expenditure (including borrowing costs) during construction period is inventoried to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the statement of profit and loss. Direct and other expenditure is determined based on specific identification to the construction and real estate activity. Cost incurred/ items purchased specifically for projects are taken as consumed as and when incurred/ received.

Work-in-progress - Contractual: Cost of work yet to be certified/ billed, as it pertains to contract costs that relate to future activity on the contract, are recognised as contract work-in-progress provided it is probable that they will be recovered. Contractual work-in-progress is valued at lower of cost and net realisable value.

Work-in-progress - Real estate projects (including land inventory): Represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where the revenue is yet to be recognised. Real estate work-in-progress is valued at lower of cost and net realisable value.

Finished goods - Flats: Valued at lower of cost and net realisable value.

Land inventory: Valued at lower of cost or net realisable value.

4. CASH AND CASH EQUIVALENTS:

Cash and cash equivalent in the balance sheet comprise cash at bank and on hand and short term deposits with original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the Statement of Cash flows, Cash and cash equivalents comprises cash at bank and in hand, demand deposits that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

5. TAXATION:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax:

The tax currently payable is based on the taxable profit for the year. The Company's current tax is calculated using tax rates that have been enacted or subsequently enacted by the end of the reporting period.

Deferred Tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statement and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax asset is generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary difference can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of Income Tax Act, 1961. MAT paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss.

6.REVENUE RECOGNITION:

a. Accounting of Construction Contracts

Revenue is recognized upon transfer of control of residential units to customers, in an amount that reflects the consideration the Company expects to receive in exchange for those residential units. The Company shall determine the performance obligations associated with the contract with customers at contract inception and also determine whether they satisfy the performance obligation over time or at a point in time. In case of residential units, the Company satisfies the performance obligation and recognises revenue at a point in time i.e., upon handover of the residential units.

In case of item rate contracts on the basis of physical measurement of work actually completed, at the Balance Sheet date.

In case of Lump sum contracts, revenue is recognised on the completion of milestones as specified in the contract or as identified by the management. Foreseeable losses are accounted for as and when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration.

b.Accounting of Other Ancillary Services:

Revenue from rendering of other ancillary services have been recognized as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

c.Finance and Other Income:

Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable EIR. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

d.Foreign currency transactions:

Sometimes the payments are received from the NRI customers in foreign exchange and the amount received after conversion is credited to their accounts. Question of exchange difference does not arise in case of foreign exchange outgo, actual payments made through banks are debited to the parties.

7.Employee benefits:

Provision for gratuity has been created in the books of accounts as per the actuarial valuation.

Provisions (other than for employee benefits) and Contingencies:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a financial cost.

8. Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

9. Earnings per share:

Basic earnings per share are calculated by dividing the profit/ (loss) from continuing operations and the total profit/ (loss) attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the profit/(loss) from continuing operations and the total profit/(loss) attributable to equity shareholders by the weighted average number of shares outstanding during the period after adjusting the effects of all dilutive potential equity shares.

3. Face value of shares - `	10/-	10/-
4. Basic / Diluted EPS - `	42.64	39.38

10. Provisions:

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

11. Contingent liabilities:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

13.RISK MANAGEMENT FRAMEWORK:

The Company's principal financial liabilities includes borrowings, trade and other payables. The Company's principal financial assets includes loans, trade receivables, cash and cash equivalents and others. The Company also holds investments made in the property, and advances made to sellers of land against agreements. The Company is exposed to credit risk, liquidity risk and market risk. The Company's senior management oversees the management of these risks. The Company's senior management provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

FINANCIAL RISK MANAGEMENT:

The Company has exposure to the following risks arising from financial instruments:

- i)Credit Risk
- ii)Liquidity Risk
- iii)Market Risk
- iv)Currency Risk
- v)Interest rate Risk

i) Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investment in inter-corporate deposits and loans given to related parties.

The carrying amount of following financial assets represents the maximum credit exposure:

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, credit risk with regards to trade receivable is negligible in case of its residential, commercial sale and lease rental as the same is due to the fact that in case of its residential and commercial business, it does not hand over possession till entire

outstanding is received. Similarly, in case of lease rental business, the Company keeps 3 to 6 months rental amount as deposit from the occupants.

No impairment is observed on the carrying value of trade receivables.

Other financial assets

Credit risk from balances with banks, loans and investments is managed by Company's finance department. Investments of surplus funds are made only with approved counterparties. No impairment on such investment has been recognised as on the reporting date.

ii) Liquidity Risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans etc.

Exposure to liquidity risk

The following are there maintaining contractual maturities of financial liabilities at the reporting date.

iii) Market Risk:

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and commodity prices which will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market exposures within acceptable parameters, while optimizing the return.

iv) Currency risk:

Currency risk is not material, as the Company's primary business activities are within India and does not have any exposure in foreign currency.

v) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the Company's interest rate position. The exposure of the Company's borrowing to the interest rate risk at the end of the reporting period is as follows:
